For our boredom we got a golden TV
For our souls we got a holy cross

And I will be your
Be your holy cross
And I, I will be there
When you feel the loss

Alright
Idolators serve and idols rule
Alright
That's the reason why I'm here for you

For our wars
We got mighty weapons
For what's left
We got a million graves

And I will be your
Final resting place
I will be there
When your soul is saved

Alright
Idolators serve and idols rule
Alright
That's the reason why I'm here for you

Oh, here for you, oh, here for you
You, here for you

{Never before in the history of man
Have so few ruled so many
With men, guns and bombs
So let them see the writing on the wall}

Alright
Idolators serve and idols rule
Alright
That's the reason why I'm here for you

Alright

Idolators serve and idols rule
Alright
That's the reason why I'm here for you

Oh, oh, for you, oh, oh, now
Here for you, here for you
Here for you, here for you
Here for you, here for you
Here for you
