Dreaming, dreaming in the cold night  
I wish I were a big and famous star  
Then I'm the king of a thousand queens  
With golden rings and dirty jeans  
Pots of money and I'm feeling free

Move your legs, stamp your feet  
Hear my voice you're gonna rock with me  
The rhythm leads, the rhythm beats  
Feel the beat and find another world

Alright, alright  
I've got the kingdom of the night  
Alright, alright  
I've got the kingdom of the night

Screaming, screaming in the wild crowd  
Let me see you all raise your hands  
I wanna dream, dream forever  
Never waking up, no, never  
Oh, bring back this dream and let us scream again

Move your legs, stamp your feet  
Hear my voice you're gonna rock with me  
The rhythm leads, the rhythm beats  
Feel the beat and find another world

Alright, alright  
I've got the kingdom of the night  
Alright, alright  
I've got the kingdom of the night

Move your legs, stamp your feet  
Hear my voice you're gonna rock with me  
The rhythm leads, the rhythm beats  
Feel the beat and find another world

Alright, alright  
I've got the kingdom of the night  
Alright, alright  
I've got the kingdom of the night
