Head over heels in love with you  
Feeling like an eagle in the storm  
All I do is dream of you  
I feel like a new born

Forever I will sell my soul

Never say never forever in love  
I'll be forever in love  
Never say never forever in love  
I'll be forever in love

The way you move, the way you talk  
Takes my breath away  
I wanna resist but this love exists  
Deep in my heart, you'll stay

Falling in love, falling in love  
Forever I will sell my soul

Never say never forever in love  
I'll be forever in love  
Never say never forever in love  
I'll be forever in love

I will be ever in love  
I will be ever in love

Falling in love, falling in love  
Out of my control  
Oh, you're falling in love, falling in love  
Forever I will sell my soul

Never say never forever in love  
I'll be forever in love  
Never say never forever in love  
I'll be forever in love

Never say never forever in love  
I'll be forever in love  
Never say never forever in love  
I'll be forever in love
