How could it be wrong?
The will of the dying
A little brave girl
Her pain is growing all days endlessly
And I hear her voice of crying
Every breath is a bare trying to say no
No will... To fight as before no chance anymore for
what is life for?

When Sarah wanna
Die the day to say goodbye
You better let her do what she wanna do
The world is crying: why?
When Sarah wanna die
Let heaven open up it's holy door
When Sarah wanna die

Oh what a farewell... Do you hear her singing?
It's a living hell but still she never gives up her free will
She will keep on trying looking for a chance to find a
way now to God
For what is it for?
No sense anymore
How could we ignore

When Sarah wanna die
The day to say goodbye
You better let her do what she wanna do
The world is crying: why?
When Sarah wanna die
Let heaven open up it's holy door
When Sarah wanna die

I will save you please stop crying
I will save you please stop crying
Your salvation is your dying
When Sarah wanna die
In this night hear the angels cry
Only God could tell you why
She says: No that's my life!
She says "No it's my life!"

Sarah wanna, Sarah wanna

Die

The day to say goodbye

You better let her do what she wanna do

The world is crying: why?

When Sarah wanna die

Let heaven open up it's holy door

When Sarah wanna die
