Sea of flowers in my dream
All the colors are shining
I take a breath and I feel this place
Far away from time and space
([Incomprehensible])

I will dive in the sea of love
Touching the bottom of an endless ocean
Dive, dive, dive, dive, dive
I will dive in the sea of love
Ride on the waves of love and emotion
Dive in the sea of my love, in the sea of my love

Like a leaf in the wind I fly
See me drifting, see me dreaming
And I know I can touch the sky
Like a bird I spread my wings, I spread my wings of
love
([Incomprehensible])

I will dive in the sea of love
Touching the bottom of an endless ocean
Dive, dive, dive, dive, dive
I will dive in the sea of love
Ride on the waves of love and emotion
Dive in the sea of my love

In the sea of my love where the water is the sky
I wanna dive and I feel like I can fly
(Oh, ho ho, I want you)
Want to be with you in the ocean of our love
Gimme a sign and we're flying high above

Like a leaf in the wind I fly
See me drifting, see me dreaming
And I know I can touch the sky
See me drifting, see me dreaming
See me drifting, see me dreaming

I will dive in the sea of love
Touching the bottom of an endless ocean
Dive, dive, dive, dive, dive

I will dive in the sea of love
Ride on the waves of love and emotion
Dive in the sea of my love

In the sea of my love, in the sea of my love
In the sea of my love, in the sea of my love
Sea of my love, in the sea of my
In the sea of my love, oh yeah
