Cold rain above, ice on the floor
No more love, I even the score
An' I broke the chains of what you call life

Oh you live in that box, I'm standing outside
You live in the dark, but I found the light
I've got no prison like you and your type

Watch out
Watch out, I'm the enemy
Watch out
Watch out, for a man like me

Watch out, I'm the enemy
Get off, off my liberty
Watch out, all I wanna be
Footloose and fancy, fancy free

I need to lose everything
Finding the truth
Make me a real king
A new horizon
Growin' up before my eyes

Watch out, I'm the enemy
Get off, off my liberty
Watch out, what I wanna be
Footloose and fancy, fancy free

Watch out
Watch out, I'm the enemy
Watch out
Watch out, silent enemy

Watch out, I'm the enemy
Get off, off my liberty
Watch out, all I wanna be
Footloose and fancy, fancy free

Footloose and fancy
(Watch out)
Footloose and fancy

(Watch out)

Footloose and fancy

(Watch out)

Footloose and fancy

(Watch out)

Fancy free
