Got to know the people all around  
Feelin' like a preacher and a clown  
Got a chance and I've paid the price  
Now I know the million lies

My good old friends don't understand  
I still believe in my band  
I know the time is not the same  
And you want me to play this game

(Why not?)  
Why not? Why not?  
(Why not?)  
I wanna get a lot

(Why not? Why not?)  
I can't get enough  
(Why not? Why not?)  
Of my first love  
Oh yeah

Music was the first love of my life  
It is the reason why I feel alive  
But all the promises of liars  
Burning inside like a fire

Sometimes the business is the shame  
I don't need glory and fame  
Do they believe we lost our way?  
But no, no, no, we'll stay

(Why not?)  
Why not, why not?  
(Why not?)  
I wanna get a lot

(Why not? Why not?)  
I can't get enough  
(Why not? Why not?)  
Why not?)

Why not, why not?

I can't get enough  
Why not, why not?  
I can't get enough

My first love  
No, no, no, no, no  
Oh yeah

Why not?  
Why not?

Why not? Why not?  
(Why not? Why not?)  
Why not? Why not?  
(Why not? Why not?)  
I wanna get a lot

I don't need glory  
I can't get enough  
Why not, why not?  
Oh yeah

(Why not? Why not?)  
[Incomprehensible]  
[Incomprehensible]  
Why not?
