Mmm, mmm hey hoo, yeah
Ooh, ooh
Yeah, whoa, whoa
Yeah, yeah, yeah

Here I stand with open arms
I'm offerin' my love to you
I wanna do for you
All the things that you want me to

There's so much more
That I could do for you, yeah
But you just won't let me give you my love, boy
What is wrong with you?

Don't you know when love calls, yeah
You'd better answer
(You'd better answer)
'Cause it might be a big mistake
If you decide to hesitate

Oh, when love calls, yeah
You'd better answer
(You'd better answer)
Don't let it slip away too many times
'Cause love may not ever come again
Ooh, no, oh, no

I know that your heart is into playin' the field
And that blinds you
Baby, you can't see the forest for the trees, no, no

The candle in my heart
Burns slowly every day
Don't you mess around too long
And let it melt away

And I'm tellin' you when love calls, yeah
You'd better answer
(You'd better answer)
'Cause it might be big mistake
If you decide to hesitate

Oh, when love calls, yeah
You'd better answer
(You'd better answer)
Don't let it slip away too many times
'Cause love may not ever come again, oh

True love is so hard to come by
It's precious and it's rare, yeah
But I've got a lot of it to give
Don't miss out, don't you dare

Just this time
Come on and see it through, oh
I'm willing and waiting
But it's all up to you, oh

When love calls, yeah
You'd better answer
(You'd better answer)
Don't let it slip away too many times
'Cause love may not ever come again

You'd better listen, yeah
(You'd better listen when love calls, baby)
(You'd better listen when love calls your name)

I'm callin' your name
(You'd better listen when love calls, baby)
(You'd better listen when love calls your name)

Ooh, ooh, yeah, whoa, whoa, yeah, yeah
(You'd better listen when love calls, baby)
(You'd better listen when love calls your name)

Ooh, ooh, yeah, whoa, whoa, yeah, yeah
(You'd better listen when love calls, baby)
(You'd better listen when love calls your name)

Ah ah yeah
(When love calls)
