Awake your sleeping eyes
Awake your tired mind
This is the last time
This is the world outside

Are the warm blooded, are the cold hearted
Are they at the water's edge
Are the death dreamers, are the God believers
Are they at the water's edge

And there is no turning back

I'm sick of your demands
I'll fight for the honest man

Are the warm blooded, are the cold hearted
Are they at the water's edge
Are the death dreamers, are the God believers
Are they at the water's edge

And there is no turning back

Listen just this once
You're asking just to much
Listen just this once
You're asking just to much
You're asking just to much

Are the warm blooded, are the cold hearted
Are they at the water's edge
Are the death dreamers, are the God believers
Are they at the water's edge

And there is no turning back
