I slowly burn away now,  
The fire in your eye  
Get me room to breathe now  
Coz I'm fighting to survive

Chorus

And I will fall between the cracks yeah  
Just leave some space for me to learn to crawl  
I will fall between the cracks yeah  
Just leave some space for me to learn to crawl

Slowly burn me down now,  
The way you always have

I will fall between the cracks yeah  
Just leave some space for me to learn to crawl  
I will fall between the cracks yeah  
Just leave some space for me to learn to crawl

And tell me where you're going, if you need for me to  
follow  
And I never ...

I will fall between the cracks yeah  
Just leave some space for me to learn to crawl  
Learn to crawl  
Learn to crawl  
Learn to crawl

I will fall between the cracks yeah  
Just leave some space for me to learn to crawl  
I will (I will) fall between the cracks yeah  
Just leave some space for me to learn to crawl

Oh I will (learn to crawl) fall between the cracks yeah  
(learn to crawl)  
Just leave some space for me to learn to crawl
