I'm wondering is there any place left to go
Can we find another stone to over turn?
Another bridge in this town that's left to burn
I gotta know I gotta know I gotta know

I'm just a stealing man and your Mrs. Lucky Soul
And I've got no place left to go
And as this world is spinning I'm breathing on my own
Cause, I'm just a stealing man and your Mrs. Lucky Soul

What shakes your teeth and rattle your bones?
Is it the winter cold or when you're alone?
Can you spare your mind? I have a lot to learn
I'm on my own I'm on my own I'm on my own

I'm just a stealing man and your Mrs. Lucky Soul
And I've got no place left to go
And as this world is spinning I'm breathing on my own
Cause, I'm just a stealing man and your Mrs. Lucky Soul

I'm just a stealing man and your Mrs. Lucky Soul
And I've got no place left to go
And as this world is spinning I'm breathing on my own
Cause, I'm just a stealing man and your Mrs. Lucky Soul

I'm just a stealing man and your Mrs. Lucky Soul
And I've got no place left to go
And as this world is spinning I'm breathing on my own
Cause, I'm just a stealing man and your Mrs. Lucky Soul
