Gotta get to the corner to get our own
Gotta get to the corner to find our home
I found a fix to heal a trouble soul
I found a fix to turn water to gold

Taste so sweet, when it's only skin deep
Another night without any sleep

Had a good idea at the wrong time
Had a good day dream in the dead of night
If I could lay back and close my eyes
If I could take back what I said last night

Taste so sweet, when it's only skin deep
Another night without any sleep
Taste so sweet, when it's only skin deep
Another night without any sleep
