Looking for the boy who is always on my mind
Looking for the boy who is oh so hard to find
So many tears fell down my wasted face

That's another talk and place
My future's here and it's now
And I think you may be the one to hold the key

So baby don't you hurt me
Gotta have a man who wants to be by my side
Don't want a boy who's gonna make me cry
Baby don't you hurt me

Gotta have a guy who speaks
For honesty and true happy
Then my sweetest gonna be you
Baby don't you hurt me

Think about the lover that I wanna be my guy
Freshes my emotions and my fear he over wise
So many tears fell down my wasted face

That's another talk and place
My future's here and it's now
And I think you may be the one to hold the key

So baby don't you hurt me
Gotta have a man who wants to be by my side
Don't want a boy who's gonna make me cry
Baby don't you hurt me

Gotta have a guy who speaks
For honesty and true happy
Then my sweetest gonna be you
Baby don't you hurt me

It's scary standing looking about you
Looking in your eyes, tell me are they true
I don't think I can take a fall again

So hold inside and they don't ever end
'Cause if it's true

Then baby I give you love

Gotta have a man who wants to be by my side
Don't want a boy who's gonna make me cry
Baby don't you hurt me

Gotta have a guy who speaks
For honesty and true happy
Then my sweetest gonna be you
Baby don't you hurt me
