Yeah yeah yeah yeah
Yeah yeah yeah yeah...
Yeah yeah yeah yeah
Yeah yeah yeah yeah...

Change of scenery
That's what I said I needed
But I just can't convince my heart
To turn away from you
You take me higher that I have been before

That's why I can't give you up
'Cause you're a part of me
I'd be incomplete without you near me
Can't give you up
'Cause we were meant to be
And I don't know how to set you free

Yeah yeah yeah yeah
Yeah yeah yeah yeah...
Yeah yeah yeah yeah
Yeah yeah yeah yeah...ah...

Disconnected
How can we find a higher ground?
I don't need perfection
Just a second chance with you
You can't deny that what we have is magic

That's why I can't give you up
'Cause you're a part of me
I'd be incomplete without you near me

Can't give you up
'Cause we were meant to be
And I don't know how to set you free

I tried to lie and take another
But you've kept haunting all my dreams
Like no others...

You take me higher that I have been before

That's why I can't give you up
'Cause you're a part of me
I'd be incomplete without you near me
Can't give you up
'Cause we were meant to be
And I don't know how to set you free

Can't give you up
'Cause you're a part of me
I'd be incomplete without you near me
Can't give you up
'Cause we were meant to be
And I don't know how to set you free...

Yeah yeah yeah yeah
Yeah yeah yeah yeah...
Yeah yeah yeah yeah
Yeah yeah yeah yeah...
