It feels so good, I knew that it would  
Nothing's gonna take this day away  
'Cos it feels so nice, oh so right  
Nothing's gonna take this day away

Was only yesterday, I tried to get away  
And now this feeling makes you turn around  
I was so very sure, what I was wishing for  
And now my feet can hardly touch the ground

'Cos the sun is shining, holiday timing  
I needed something to rescue me  
Oh, feeling weary, now I'm ready  
So come on with me

'Cos it feels so good, I knew that it would  
Nothing's gonna take this day away  
'Cos it feels so nice, oh so right  
Nothing's gonna take this day away

I'm where I wanna be, life in so bottle me  
I took my cares and left them all behind  
I had to get away, deal with them another day  
They're out of sight and out of mind

'Cos the sun's still shining, no denying  
Something came along to rescue me  
Oh, feeling weary, now I'm ready  
So come on with me

It feels so good, I knew that it would  
Nothing's gonna take this day away  
'Cos it feels so nice, oh so right  
Nothing's gonna take this day away

It's just, what I needed, emotional healing  
It's a wonderful feeling, nothing left to lose, yeah

'Cos it feels so good, I knew that it would  
Nothing's gonna take this day away  
'Cos it feels so nice, oh so right  
Nothing's gonna take this day away

It feels so good, I knew that it would  
Nothing's gonna take this day away  
'Cos it feels so nice, oh so right  
Nothing's gonna take this day away

It feels so good, I knew that it would  
Nothing's gonna take this day away  
'Cos it feels so nice, oh so right  
Nothing's gonna take this day away
