(Ooh woo yeah)
Some people put in overtime
Some people suffer once
In their life
Some people would surrender
Their last time dime for a lovin' affair
Don't matter if you close
Them tight
Don't matter if you're sharp
And wide-eyed
Don't matter if the stars are
Shining bright, 'cause it'll
Be all right

So if you feel like you're going
Nowhere (going nowhere)
I'm gonna show you the things
That we could share

Whenever you're thinking
That loves unkind,
Follow me
We'll go walking in paradise
Whenever you're looking
For piece of mind baby
We can make it happen,
Just close your eyes and
I'll be there
U-hoo (could have been)

It could have been the
Way you smiled
It could have been the things
You said last night
It could have been the secrets
In your eyes that put the
Love in the air
So anytime you're all alone
(all alone)
And anytime you feel you
Can't go on
Anytime you need a helping hand, i've

Got something for you

So if you feel like you're going
Nowhere (going nowhere)
I'm gonna show you the
Things that we could share

Whenever you're thinking
That loves unkind,
Follow me
We'll go walking in paradise
Whenever you're looking
For piece of mind baby
We can make it happen,
Just close your eyes and
I'll be there
U-hoo (could have been)

(i will be there)

If you're hurting inside
(I will be there)
If you're reading my mind
(then you will find)
I'm the reason you have
To believe
Just understand, you gotta
Hold out your hand
