Move it right up to me  
Like you know you should  
And make me know you're doin'  
All of the right things  
'Cos making lots of money  
And living in a dream  
Is when you know you're doin'  
All of the right things

[Bridge]  
Push it, ah (all of the right things)  
Don't push it (all of the right things)  
Push it, ah (all of the right things)  
Don't push it (right things)  
Push it (right things)  
Don't push it (right things)

[Chorus]  
'Cos, baby  
Woah, I want your love  
I want your lovin', baby  
Baby, woah (bring the beat back)  
I want your love (boom)

Bet you think you're funny  
Just hanging with my friends  
They make you think you're saying  
All of the right things  
When you gonna wake up  
And when you gonna see  
That they're just glad you give me  
All of the right things

[Bridge]  
[Chorus]

Push it. Don't push it [x5]  
Push it. What just don't  
Push it. Don't push it

You said you're gonna call me  
And I wait by the phone  
I need to hear you sayin'

All of the right things  
'Cos, boy, I got your number  
I'm trying to play it cool  
But you'd be better doing  
All of the right things

Push it (all of the right things)  
Push it (all of the right things)  
Push it (right things)  
Push it (right things)  
Push it (right things)  
Woah  
'Cos, baby (boom)  
Woah, I want your love  
I want your lovin', baby (bring the best back)  
Baby, woah (boom), I want your love  
Woah  
'Cos, baby, I want your love  
I want your love (bring the beat back)  
I want your love  
Baby, woah, I want your love  
Woah  
'Cos, baby, woah, I want your love  
I want your love  
I want your lovin' baby  
Baby, woah, I want your love  
Baby baby, baby, baby  
Push it, push it, push it, push it  
Boom
