I've been looking for the girl that I once knew  
The girl with nothing to lose, right before she met you  
I've been telling her everything that I've learned since  
then  
Never gonna make them, same mistakes again

Oh baby  
You know and I know  
You held on, I let go  
Now is the time to move on

Let tomorrow be a new day  
I'll be running from the heartache  
And I won't be there, no no  
I won't be there, no no

As the months turn into new years  
Won't be crying any new tears  
I won't be there, no no  
I won't be there, no no

Hear me say, oh no no, never ever  
Oh no baby, I won't be there, no no  
I won't be there

Looking back I remember when I  
Used to sit and cry, every day, all night  
I'm telling you everything that you knew has changed  
I'll be turning a new page, all the memories erased

'Cause baby  
You know, and I know  
You held on, I let go  
Now is the time to move on

Let tomorrow be a new day  
I'll be running from the heartache  
And I won't be there, no no  
I won't be there, no no

As the months turn into new years  
Won't be crying any new tears

I won't be there, no no  
I won't be there, no no

I won't be having bad dreams  
I won't be having regrets  
Tearing at the seams  
They're the things I will forget

Baby when tomorrow comes  
You're gonna be the only one  
If you'd loved, if you'd have cared  
Then babe I would be there

Hear me say, oh no no, never ever  
Oh no baby, I won't be there, no no  
I won't be there

Let tomorrow be a new day  
I'll be running from the heartache  
And I won't be there, no no  
I won't be there, no no

As the months turn into new years  
Won't be crying any new tears  
I won't be there, no no  
I won't be there, no no

Hear me say, oh no no, never ever  
Oh no baby, I won't be there, no no  
I won't be there

Hear me say, oh no no, never ever  
Oh no baby, I won't be there, no no  
I won't be there, no no

Let tomorrow be a new day  
I'll be running from the heartache  
And I won't be there, no no  
I won't be there, no no

As the months turn into new years  
Won't be crying any new tears  
I won't be there, no no  
I won't be there, no no

Let tomorrow be a new day  
I'll be running from the heartache  
And I won't be there, no no  
I won't be there, no no

As the months turn into new years

Won't be crying any new tears
