Ooh oh yeah yeah, Oh what a night

It's ladies night

This is your night tonight,

Everything is going to be alright

This is your night tonight,

C'mon girls

Girls, we've all got one

A night that's special everywhere

From New York to Hollywood

It's ladies night and girl

The feeling's good

[Chorus]

Oh yes, it's ladies night

And the feeling's right

Oh yes, it's ladies night

Oh what a night (oh what a night)

Oh yes, it's ladies night

And the feeling's right

Oh yes, it's ladies night

Oh what a night (oh what a night)

This is your night tonight, everything's gonna be alright

This is your night tonight, everything's gonna be alright

Romantic lady, ooh oh yeah, single baby

Mm sophisticated mama (woooooh)

Come on you disco baby, yeah, yeah

Stay with me tonight

If you hear any noise

It ain't the boys, it's ladies night, shhh, uh huh

Come on girls

Gonna step out ladies night

Steppin' out ladies night

Gonna step out ladies night

Steppin' out ladies night

[Chorus]

Oh yes, it's ladies night

And the feeling's right

Oh yes, it's ladies night

Oh what a night (oh what a night)

Oh yes, it's ladies night

And the feeling's right

Oh yes, it's ladies night

Oh what a night (Oh what a night)

On disco lights your name will be seen

You can fulfill all your dreams

Party here, party there, everywhere

This is our night, ladies

You got to be there

This is your night tonight,

Everything is going to be alright

This is your night tonight,

Everything is going to be alright

Oh ladies night

This is your night tonight,

Everything is going to be alright
