Ooh, oh yeah yeah
Oh what a night
It's ladies night

This is your night tonight
Everything is gonna be alright
This is your night tonight, come on, girls

Girls, we've all got one
A night that's special everywhere
(Everywhere)

From New York to Hollywood
It's ladies night and girl
The feeling's good

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night

This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright

Romantic lady, ooh, oh yeah, single baby
Sophisticated mama
Come on you disco, baby, yeah, yeah
Stay with me tonight

If you hear any noise
It ain't the boys, it's ladies night
Come on, girls

Gonna step out ladies night
Steppin' out ladies night

Gonna step out ladies night
Steppin' out ladies night

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night

On disco lights your name will be seen
You can fulfill all your dreams
Party here, party there, everywhere
This is our night, ladies, you got to be there

This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright

This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright

This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright
