Don't lose this moment
Life tastes so sweet
We can work wonders
Just let it be
I know what you're thinking
So can you feel
What I need
Don't need to be set
I will need right now

(Love)
My love won't wait
If you're gonna wait till tomorrow (My love won't wait)
Baby I'm yours
And that means right today (And that means right
today)
My love won't wait
If you're gonna wait till tomorrow (My love won't wait)
This is not a dream
It's right before your eyes
Don't let it fade away

You'll miss this moment
Don't be afraid
Ain't that what you wanted
So why hesitate?
Cos I'm feeling restless
I can't explain
What I need
Don't need to be set
I will need right now

(Love)
My love won't wait
If you're gonna wait till tomorrow (My love won't wait)
Baby I'm yours
And that means right today (And that means right
today)

My love won't wait
If you're gonna wait till tomorrow (My love won't wait)
This is not a dream

It's right before your eyes
Don't let it fade away

My love won't wait
Love won't wait
Love won't wait
Don't hesitate

Oooh

What I need
Don't need to be set
I will need right now

(Love)
My love won't wait
If you're gonna wait till tomorrow (My love won't wait)
Baby I'm yours
And that means right today (And that means right
today)
My love won't wait
If you're gonna wait till tomorrow (My love won't wait)
This is not a dream
It's right before your eyes
Don't let it fade away

My love won't wait
If you're gonna wait till tomorrow (Don't wait till
tomorrow, wait till tomorrow)
Baby I'm yours
And that means right today (And that means right
today)
