Don't let your head rule you heart
Don't let your world be torn apart
Don't keep it all to yourself
Just let all your emotions run free with someone like me
That's the way it should be
Someone like me

I know Its hard when you're feeling down
To lift your feet up off the ground
We make mistakes but doesn't everybody
You don't always have to agree with someone like me

That's the way it should be
Someone like me

We know the story so far (what you want and who you are)
What you want and who you are (Free)
Let all your emotions run free
You don't always have to agree
With someone like me
That's the way it should be
Someone like me
Someone like me
