Never give up  
Yeah, Yeah  
Never give up

The tide is high but I'm holding on  
I'm gonna be your number one  
I'm not the kinda girl who gives up just like that  
oh no

It's not the things you do to try and hurt me so  
but it's the way you do the things you do for me  
I'm not the kinda girl who gives up just like that (no)  
oh no

\* CHORUS \*

The tide is high but I'm holding on  
I'm gonna be your number one (tide)  
The tide is high but I'm holding on  
I'm gonna be your number one (ooh)  
Number one (my number one)  
Number one

Every girl wants you to be her boy,  
But I'll wait right here 'til it's my turn,  
I'm not the kind of girl who gives up just like that  
oh no

\* CHORUS \*

The tide is high but I'm holding on  
I'm gonna be your number one (tide is high)  
The tide is high but I'm holding on  
I'm gonna be your number one (ooh)  
Number one (my number one)  
Number one

Everytime that I get the feeling  
You give me something to believe in  
Everytime that i got you near me  
i know the way that i want it to be  
But you know im gonna take my chance now  
I'm gonna make it happen somehow

And you know i can take the pressure  
A moment's pain for a lifetime's pleasure

Every girl wants you to be her boy,  
But i'll wait right here till it's my turn  
I'm not the kinda girl who gives up just like that  
Oh no (not gonna make it)

\* CHORUS \*

the tide is high but I'm holding on (yeah)  
I'm gonna be you're number one (yeah)  
the Tide is high but I'm holding on  
I'm gonna be you're number one (the tide is high and  
going on)

Everytime that I get the feeling  
You give me something to believe in  
And everytime that i got you near me  
I know the way i want it to be  
But you know im gonna take my chance now  
Im gonna make it happen somehow  
And you know i can take the pressure  
A moment's pain for a lifetimes pleasure

The tide is high but I'm holding on  
I'm gonna be you're number one
