I saw you with the girlfriend baby
I saw you underneath the light
I wanted to just talk now baby
You seem to think I want to fight
Stop playing with my head and maybe
I'll get a chance to make this right
I need a little sunshine baby
I need a little hope in life

Baby don't you hear me when I say goodbye
Baby won't you listen cos you make me cry
Please baby, please baby let me go
I don't deserve to suffer so

So I'm trying to believe you this time
I'm trying but it don't seem fair
One minute it's the right stuff honey
Next second's like I'm just not there

Baby don't you hear me when I say goodbye
Baby won't you listen cos you make me cry
Please baby, please baby let me go
I don't deserve to suffer so

Because tonight I know you're gonna beg to stay
But tomorrow you will simply walk away
And tonight I will know exactly what you'll do
But come tomorrow I will still be just your fool

I saw you as the future baby
You see me as a one night stand
But I'm sick of being part time baby
You gotta be a full time man

Baby don't you hear me when I say goodbye
Baby won't you listen cos you make me cry
Please baby, please baby let me go
I don't deserve to suffer so

Because tonight I know you're gonna beg to stay
But tomorrow you will simply walk away
And tonight I will know exactly what you'll do

But come tomorrow I will still be just your fool

Baby when will you see that you're gonna be mine
I'm waiting for you honey
You will always come back it's just a matter of time
You know you'll never leave me

Baby I don't wanna be your fool
Can't you see boy
I'm in love with you
Tell me what's a girl supposed to do
When I only want your love

Baby don't you hear me when I say goodbye
Baby won't you listen cos you make me cry
Please baby, please baby let me go
I don't deserve to suffer so

Because tonight I know you're gonna beg to stay
But tomorrow you will simply walk away
And tonight I will know exactly what you'll do
But come tomorrow I will still be just your fool

Because tonight I know you're gonna beg to stay
But tomorrow you will simply walk away
And tonight I will know exactly what you'll do
But come tomorrow I will still be just your fool
