If ya like to see me 'cos you want to
That's okay
'Cos I can make ya feel ya got the need to
Everyday

You're the one I need the most
(You're the one I need the most)
Shout it out from coast to coast
(Shout it out from coast to coast)
I will never be the same
(Baby)
Again and again and again

You just turn me on
On and on and on
You just turn me on
On and on and on
On and on

Bet you think that I just couldn't wait to
Be with you
Must have been our destiny that you would
Want me to

You're the one who's right for me
(You're the only one who's right for me)
I'm the only one you need
(I'm the only one you need)
Baby when you call ma name
(Baby)
Again and again and again

You just turn me on
On and on and on
You just turn me on
On and on and on
On and on

On and on
Turn me on
On and on
Turn me on

On and on
Turn me on
On and on
Turn me on

On and on

You just turn me on
On and on and on
You just turn me on
On and on and on
On and on

You just turn me on
On and on and on
You just turn me on
On and on and on
On and on

You just turn me on
On and on and on
On and on
You just turn me on
On and on and on
On and on
