If you see me walking down the street
Staring at the sky
Dragging my two feet
You just pass me by
It still makes me cry
You can make me whole again
If you see me with another man
Laughing and joking
Doin what I can
I wont put you down
Cos I want you around
You can make me whole again
Looking back on when we first met
I can not escape and I can not forget
Baby your the one you still turn me on
You can make me whole again
Time is layin heavy on my heart
Seems i've got to much of it
Since we've been apart
My friends make me smile
If only for a while you can make me whole again
Lookin back on when we first met
I can not escape and I can not forget
Baby your the one you still turn me on
You can make me whole again
So now i'll have to wait
But baby if you change your mind
Dont be to late
Cos I just cant go on
Its already been to long
You can make me whole again
Woah woah woah woah
Lookin back on when we first met
I can not escape and I can not forget
Baby your the one
You still turn me on
You can make me whole again
