Maybe you think you're not right for me  
That you'll never be everything I need  
Well I tell you straight from my heart  
You are you are  
If you don't think that you've got the pedigree  
That you're not someone who can talk to me  
Well I'll tell you straight from my heart  
You are you are  
You are you are my reason (my reason)  
You are the air I'm breathing (I'm breathing)  
Ask who's in my heart, you are you are (you are)  
If ever I wanted to run away (to run away)  
I'd go only if you would come with me (you'd come with me)  
'Cos no one can talk to my heart like you are, you are  
Oh if I do for you what you do for me (do for me)  
If I'm on your mind everytime you sleep (in your dreams)  
Say the words and no matter how far  
I'll be where you are  
You are you are my reason (my reason)  
You are the air I'm breathing (I'm breathing)  
Ask who's in my heart, you are you are (you are)

Oh, I'm loving you  
Ooh I wish you'd ask me how I feel  
I'd say that I'm emphatic  
Ooh and when you're near to me  
This urgency is automatic  
Ooh you're my addiction boy  
And I don't want to break the habit  
I'd say that you're in my heart  
You're in my heart  
You are you are my reason (my reason)  
You are the air I'm breathing (I'm breathing)  
Ask who's in my heart, you are you are (you are)  
Maybe you think you're not right for me  
You are my reason  
That you'll never be everything I need  
Well I tell you straight from my heart  
You are you are  
My reason for loving, for living, for breathing

(If you don't think that you've got the pedigree)  
That you're not someone who can talk to me  
Well I'll tell you straight from my heart  
You are you are  
You are you are my reason  
You are the air I'm breathing  
Ask who's in my heart...
