Ooh, oh, yeah, yeah
Oh, what a night
It's ladies night

This is your night tonight
Everything's gonna be alright
This is your night tonight
Come on girls

Girls, we've all got one
A night that's special everywhere
From New York to Hollywood
It's ladies night and girl, the feeling's good

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night?
(Oh, what a night?)

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night?
(Oh, what a night?)

This is your night tonight
Everything's gonna be alright
This is your night tonight
Everything's gonna be alright

Romantic lady, ooh oh yeah, single baby
Mmm, sophisticated mama
Come on you disco baby, yeah, yeah
Stay with me tonight

If you hear any noise
It ain't the boys
It's ladies night
Come on girls

Gonna step out ladies night

Steppin' out ladies night
Gonna step out ladies night
Steppin' out ladies night

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night?
(Oh, what a night?)

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night?
(Oh, what a night?)

On disco lights your name will be seen
You can fulfill all your dreams
Party here, party there, everywhere
This is our night, ladies, you got to be there

This is your night tonight
Everything's gonna be alright
This is your night tonight
Everything's gonna be alright
(Oh, ladies night)

This is your night tonight
Everything's gonna be alright
This is your night tonight
Everything's gonna be alright

This is your night tonight
Everything's gonna be alright
This is your night tonight
Everything's gonna be alright
(Oh, ladies night)

This is your night tonight
Everything's gonna be alright
(Oh, this is your ladies night)
This is your night tonight
Everything's gonna be alright
(Oh, this is your ladies night)

This is your night tonight
Everything's gonna be alright
This is your night tonight
Everything's gonna be alright
(Oh, ladies night)

This is your night tonight
Everything's gonna be alright
This is your night tonight
Everything's gonna be alright
