Come on

?Grab the bull by the horns?  
The old adage goes  
Nobody tells you where to go from there  
[Incomprehensible] in you  
Decisions have to be made  
The best half is the hardest earned

Back and forth, the struggle consumes us all  
Trying to keep a level head  
In the most unsettling of times  
Today, I'll become the bull  
(Become the bull)

There is so much to stake  
I stumble, I lose my place  
Crowded in while surrounded by sin  
Destiny takes its hold  
Fight it or let it go  
But I choose how the day will end

Back and forth, the struggle consumes us all

Trying to keep a level head  
In the most unsettling of times  
Today, I'll become the bull  
(Become the bull)  
Today, I'll become the bull

This small heart can get lonely  
I lose myself inside myself  
No one can touch you when you're outside staring in  
Remove myself from this rat race

Back and forth, the struggle consumes us all  
Trying to keep a level head  
In the most unsettling of times  
Today, I'll become the bull  
(Become the bull)

Today, I'll become the bull

Today, I'll become the bull  
Today, I'll become the bull  
Today, I'll become the bull
