I've talked the talk, I've walked the walk,
It's taken ten fucking years,
For them to see I don't need their approval.
I've paid the piper,
I've stayed my course,
Lived chomping at the bit.
With only blood, sweat, and tears to adhere to-

Open your eyes and see,
That it's so menacing,
You need to realize that bleeding is a luxury.
Give 'til there's nothing left,
Value in every breath,
You need to realize that bleeding is a luxury.

Take it for granted,
Forsake the costs,
Wear a big, shit-eating grin
(With only blood, sweat, and tears to adhere to)
Now bear the burden to chase your fate
Grind your teeth 'til it fucking hurts
So they can see I don't need their approval.

Open your eyes and see,
That it's so menacing,
You need to realize that bleeding is a luxury.
Give 'til there's nothing left,
Value in every breath,
You need to realize that bleeding is a luxury.

Seize the day,
Take your beatings,
Lead the way,
Or decay as you fall down...
You fall down.

Open your eyes and see,
That it's so menacing,
You need to realize that bleeding is a luxury.
Give 'til there's nothing left,
Value in every breath,
You need to realize that bleeding is a luxury.

It's a luxury,
Bleeding is a luxury!
