So unaffectionate  
So insecure  
You claim to know, a thing or two about heartache  
And what it's like, to have your insides torn out

Well I believe you!

I see it every time, your pallbearer's pallor is  
Obscured by the darkness (The darkness)  
Dancing across your face (Across your face)  
And when the blackness veils, your eyes, in pain.  
I know what it's like when memories make you wince!  
And love letter read like obituaries  
And photo albums, are the books of the dead  
I need no reminders (No more reminders)  
I'll forget the past and lay it to rest!

If I had my way I'd cut  
The calluses off your  
Off your breaking heart  
If I could get past the sternum  
Cauterize those wounds with every kiss I could give to  
you  
I'm holding your heart in my hands  
The reason it still beats!

Am I being too cryptic?  
Am I being too obscure?  
Am I being too cryptic?  
Am I being too obscure?

Love kills! Romance is dead!  
And I don't even trust myself, but I love you!  
And you can pull my wings apart  
And pin me down under glass until the end of days!  
If it can help you discover that we share the same pain!  
I just hope you write your thesis before  
Your subject is dead  
No life after death!

If I had my way I'd cut  
The calluses off your

Off your breaking heart  
If I could get past the sternum  
Cauterize those wounds with every kiss I could give to  
you  
I'm holding your heart in my hands  
The reason it still beats!

If I had my way I'd cut  
The calluses off your  
Off your breaking heart  
If I could get past the sternum  
Cauterize those wounds with every kiss I could give to  
you  
I'm holding your heart in my hands  
The reason it still beats!
