You took me home  
I drank too much  
Cause of you my liver turned to dust  
Cold rust tastes  
Cool creeping cold pain  
Do you understand what I mean?  
When you feel your soul drop to the floor  
Like a hole, like an open bleeding sore  
Then you'll have bled like I bled  
And you'll have wept as I've wept

Suck me down, it's time to rock and roll  
Lets hit the bar, lets lose control  
One false move, you took me home  
One false move, you're all alone

But it looks so good and it feels so nice  
I paid the price  
I'll cut you out just to hear you scream,  
Get away from, get away from me  
And I can feel my heartbeat raising  
As I realize what I must do  
Get away from...  
Get away from...  
Get away from you

I should have turned and ran like hell  
Last time I got the taste of you  
I should have turned and ran like hell  
And I'll see we're through  
I should have turned and ran like hell  
Last time I got the taste of you  
I should have turned and ran like hell  
And I'll see we're through  
And I'll see we're through

You fell upon me like a plague  
Weakness, sweet weakness  
But I digress  
After all this...  
You're just like all the rest

Suck me down  
It's time to rock and roll  
Let's hit the bar, let's lose control  
One false move, you took me home  
One false move, you're all alone
