So here, we are again,
The same fork in the road.
I hate you, You love me,
This story's getting old.
The day that I opened up,
You shut me out for good.
Forgive, forget, fuck you,
You are a liar and a whore.

So take what you want and leave,
You'll never get another part of...

I remember the day that,
I thought I would be free.
I poured out my soul to you,
Exposed everything.
The next thing I know,
My heart is broke.
My hand it's much the same,
I did my best to drink you away.

So take what you want and leave,
You'll never get another part of.
You are poison on man's lips,
Lured in by the curves of your hips.
Come here boy, stand by me,
Look my way, have another drink.

I should have got up,
I should have got up and left you.

And I will never ever be you're lover again,
As far as I'm concerned, we are not even friends.
This may not seem too subtle to you,
The point I'm trying to make is we are completely
through.

So take what you want and leave,
You'll never get another part of...

So take what you want and leave,
You'll never get another part of.

Solo

You are poison on man's lips,
Lured in by the curves of your hips.
Come here boy, stand by me,
Look my way, have another drink.
