BANG!

Explosions in my head that just won't quit  
A train has crashed into the wall around my heart and  
left the old me dead  
Obliterated

STOP!

My breathing in the night when you're not there  
The silence ringing through my ears  
And all I want to do is hear your voice  
But you're not there

Drawn Together  
Painter's brush stroke  
Sleight of hand, we  
We won't go up in smoke  
Fates colliding  
Love undying

Like the rising tide  
Beating hearts grow but never die  
To simplify  
I'll stand by your side  
Close my eyes  
Hope will never die

Like the rising tide  
Beating hearts grow but never die  
To simplify  
I'll stand by your side  
Close my eyes  
Hope will never die

GO!

And take away the pain of being me  
Soothe my soul caress my heart and  
End my fear all my bad memories  
Eradicated

RING!

Like gunshots heard against a silent night  
My love is louder than these words

They're stronger than the rest, unstoppable  
Drawn together  
Painter's brush stroke  
Slight of hand, we  
We won't go up in smoke  
Fates colliding  
Love undying

Like the rising tide  
Beating hearts grow but never die  
To simplify  
I'll stand by your side  
Close my eyes  
Hope will never die

Like the rising tide  
Beating hearts grow but never die  
To simplify  
I'll stand by your side  
Close my eyes  
Hope will never die

Will never die

DIE!!!!!!!!!!!!11

Drawn together  
Painter's brush stroke  
Slight of hand, we  
We won't go up in smoke  
Fates colliding  
Love undying

Like the Rising tide  
Beating hearts grow but never die  
To Simplify  
I'll stand by your side  
Close my eyes  
Hope will never die

Like the Rising tide  
Beating hearts grow but never die  
To Simplify  
I'll stand by your side  
Close my eyes  
Hope will never die

Will never die

DIE!!!!!!!!!!
