

Aya "Over Night"

Visit "[Over Night](#)" on MotoLyrics.com

Fly, sway, go all the way
I'm in the same fate with you
I feel your beat all around
Wandering in the everlasting way

Forever...
Tears fall, vanish into the night
If I'm a sinner...
Chivalry, show me the way to go

Rise, high, just feel alive
Say a prayer for you today
I still believe in your love
Trace the shadow of truth into the dark

Forever...
Tears fall, vanish into the night
If I'm a sinner...
Chivalry, show me the way to go

Wandering my crying soul
Only you can wipe away my tears

Forever...
Tears fall, vanish into the light...
