Take this shot with me, and let our worlds collide,
We'll drink away all the pain that's inside.
Running wild, let our minds roam free,
I've ruined lives, so you can't FUCK WITH ME!
Now can you see it clear?
Never again, I'm going back there, baby, never again,
I'm going back there!
YOU GET THE PICTURE NOW!
Never again, I'm going back in time baby, never
regretting all of the
Present times, BABY!
So what's left to say but WE KNOW WE'LL OWN THIS
WORLD!
Nothing left to say that hasn't been said,
WE KNOW WE'LL OWN THIS WORLD!

Say it to my face!
I'm alive and it doesn't hurt, another lie in the
crosshairs of my fate,
Don't wait too long, don't wait too long, or your
conscience will consume
You!
FUCK YEAH, say it again! You let your conscience
consume you!

HEY! HEY! HEY! HEY!
Shut up, you never fucking listen!
OH!

I'm at a loss of words and overly confused with this
accusation bullshit
All over that you've presented to me, never gonna
make an excuse that
Couldn't hold up for itself in court, I'm here smiling...

And you'll be just another bitch I have to deal with all
the time.
Tryin' to cramp my fucking style like I really care,
I wish you'd shut your fucking mouth
And didn't say my fucking name

SUCK MY DICK

WHORE

Nothing left to say

So what's left to say but WE KNOW WE'LL OWN THIS
WORLD!

Nothing left to say that hasn't been said,
WE KNOW WE'LL OWN THIS WORLD!
