"The Game Of Love"

Visit "[The Game Of Love](#)" on MotoLyrics.com

I'll never understand this game of love
If I live forever, it won't be long enough
Skies are blue and grass is green
but some things aren't as simple as they seem
and I'll never understand this game of love

No, I'll never understand this game of love
If I live forever, it won't be long enough
Fire is hot and ice is cold
but some things aren't as clear and bold
and I'll never understand this game of love

I'll never understand this game of love, oh no
If I live for ever it won't be long enough
Fire is hot and ice is cold
but some things aren't as clear and bold
and I'll never understand this game of love
No I'll never understand this game of love
I'll never understand this game of love
