I hear the sound  
Sweet summer music  
When school is out  
Living is music

Laying in the park  
Jamming in the dark  
The kissing starts  
The sound of music

It gets gray so soon  
I can't wait till June  
To sing that summer tune

Sweet summer music  
Sweet summer music

She'll come around  
Brings me up when I'm down  
With a smile on her face  
Winter's cold could not erase

Warm summer breezes  
Set my mind at ease  
Autumn comes without a trace  
And I know there's no  
Time to waste on

It gets gray so soon  
I can't wait till June  
To sing that summer tune

Sweet summer music  
Sweet summer music

Summer gets gloom  
Autumn's in bloom  
We'll be singing this tune  
Summer ended too soon  
(Summer ended too soon)

Warm summer breezes

Set my mind at ease  
Autumn comes without a trace  
And I know there's no  
Time to waste on

It gets gray so soon  
I can't wait 'til June  
To sing that summer tune

Sweet summer music  
Sweet summer music  
Sweet summer music  
Sweet summer music...
