Bein' here without you  
Is something I can't stand  
Cuz everything about you  
Causes me a broken man  
Like a legend lost together  
I see that we're apart  
Sometimes I wonder whether  
You can mend this broken heart

Now I've opened up my eyes  
I was blind, now I see  
Realizing that you're deep inside of me...

(CHOROUS)  
Oh...Lord knows what I'd do  
Just to be with you  
Just to hold your hand  
Be a better man  
Get down on my knees  
Just to make you see  
I'll do anything  
For the love you bring

Well, I've tried yes, I've tried  
And I know what I am  
But I'm doin' the best that I can  
Just to be a better man

So, Mother Mary help me  
Help me make it through  
To conquer this addiction  
The addiction that is you  
It'll be easier if baby  
You'd come in my arms tonight  
Knowing you're out there  
I will be facing fire

(CHOROUS)  
Lord knows what I'd do  
Just to be with you  
Just to hold your hand  
Be a better man

Get down on my knees  
Just to make you see  
I'll do anything  
For the love you bring

Well, I've tried yes, I've tried  
And I know what I am  
But I'm doin the best that I can  
Just to be a better man

Just to be a better man  
Tell me what I have to do  
Cuz I want to be with you  
Just to be a better man  
Tell me what I gotta be  
So that you'll come back to me...Yeah!

Now I've opened up my eyes  
I was blind, now I see  
Realizing that you're deep inside of me...

(CHOROUS)  
Lord, Lord knows what I'd do  
Just to be with you  
Just to hold your hand  
Be a better man  
Get down on my knees  
Just to make you see  
I'll do anything  
For the love you bring  
Lord knows what I'd do  
Just to be with you  
Just to hold your hand  
Be a better man

Well, I've tried yes, I've tried  
And I know what I am  
But I'm doin' the best that I can

Just to be a better man (4X)
