Everywhere is somewhere baby
So can't you see we're in the middle
Somewhere

Nowhere just means knowing nothing
Of where you've been or where you're going
Feels farther

You're a sight to see this early morning
Getting lost in my own neighborhood.

The same freedom you feel,
Is what's been blowing in my sail,
Since I arrived here.

It's all, all, all, all
It's all, all, all, all
It's all, all or nothing.

It's all, all, all, all
It's all, all, all, all
It's all, all or nothing.

Slowly coming into view
The images are slowly
Slowly coming into view
The images are slowly

Blending out for once
I know there's less to life
Once more it's looking for me

Saying yes instead of no
And wondering what to make
Of my directions

Won't be long that's just to gaze
And days will fall to dreams
Something familiar

It's all, all, all, all

It's all, all, all, all
It's all, all or nothing

It's all, all, all, all
It's all, all, all, all
It's all, all or nothing
