[V1]

With all that could be written about You  
All the world would not have room  
What we have read was what you started to do  
All have seen Your power move

[V2]

With all that You have started within us  
All things are possible  
You have said we would be greater than You  
And all will see Your power move

[PC1]

I'm gonna shout it out  
I'm gonna shout it out

[C]

Fire, Fire  
Fall down on me  
Come like an explosion within me  
|| Brighter, Brighter  
Your light will be  
Lifted higher

[PC2]

I'm gonna shout it out  
I'm gonna shout it out  
Everybody shout it out

[B]

Pour it out  
Pour it out  
Send me out  
Send me out

Pour it out  
Pour it out  
Fill me to overflow

Send me out  
Send me out  
I wanna go
