[V1]

You set my feet upon a rock  
The rock of ages  
Your word will always be enough  
It's what I believe in

[V2]

Your love is more than life itself  
You never fail me  
I'm standing in your promises  
And for your glory

[C]

My saviour, forever  
You paid the price to set me free  
I love you, forever  
I'm living the freedom of my God

My saviour, forever  
You paid the price to set me free  
I love you, forever  
I'm living the freedom of my God  
You make all things possible

[B]

Where could I go that would compare to You?  
Where could I turn but you, our blind salvation?  
Our blind salvation

Everlasting  
You're the one I love  
Now and always
