Today I've finally found
A melody that fits
A melody that fits
Today I've finally found
A song that I can sing
A song that I can sing

You are my king
You are my king
I bow down before you
And crown you the king of all kings
Forever I'll sing
Forever I'll sing
I'll sing of your mercy
And how I have been set free
All set free

The rulers of the earth
Will bow before your throne
Will bow before your throne
The nations you have made
Will worship you alone
Will worship you alone

You are my king
You are my king
I bow down before you
And crown you the king of all kings
Forever I'll sing
Forever I'll sing
I'll sing of your mercy
And how by your love I'm set free
I'm set free
I'm set free

All set free
All set free
All set free

You are my king
You are my king

I bow down before you
Cause you are the king of kings
Forever I'll sing
Forever I'll sing
I'll sing of your mercy
And how by your love I'm set free
I'm set free
I'm set free
