"Leave Ninety-Nine"

I'm lost and broken all alone on this road
The wheels keep turning but the feeling is gone
When I fear I'm on my own
But you remind me I am not alone

When you say..

I'd leave ninety-nine
Leave them all behind
To find you (For you alone)
I'd leave ninety-nine
Leave them all behind
To find you

It's dark and lonely and the path is unclear
Can't move my feet because I'm frozen with fear
And you say, "My child, my child,
I am always here, I'm by your side"

I'd leave ninety-nine
Leave them all behind
To find you (For you alone)
I'd leave ninety-nine
Leave them all behind
To find you

You're never too far down
I promise you'll be found
I'll reach into the mud
AND MIRY CLAY
Pursue you to the end
Like a faithful friend
Nothing in this world
Could keep me away

I'd leave ninety-nine
Leave them all behind
To find you (For you alone)
I'd leave ninety-nine
Leave them all behind
To find you

To find you
