I'm lost and broken all alone on this road
The wheels keep turning but the feeling is gone
When I fear I'm on my own
You remind me i am not alone

You say..

I'd leave ninety-nine
Leave them all behind
To find you
(For you alone) I'd leave ninety-nine
Leave them all behind
To find you

It's dark and lonely and the path is unclear
Can't move my feet because I'm frozen with fear
And you say, my child, my child
I am always here, i'm at your side

I'd leave ninety-nine
Leave them all behind
To find you
(For you alone) I'd leave ninety-nine
Leave them all behind
To find you

You're never too far down
I promise you'll be found,
I'll reach into the mud,
Miry clay
Pursue you to the end,
Like a faithful friend,
Nothing in this world,
Will keep me away,

I'd leave ninety-nine
Leave them all behind
To find you
(For you alone) I'd leave ninety-nine
Leave them all behind
To find you...

To find you..
