[Verse 1]

Standing on your promise  
Hidden in Jesus  
The hope of glory  
Living inside my life  
In my life

[Verse 2]

Holding to your mercy  
Seeing what you see  
The hope of glory  
Living inside my life  
In my life

[Chorus]

I will stand on the solid rock  
I believe if I feel it or not  
Word of God come and fill my life  
I am yours, take control

[Verse 3]

The enemy defeated  
Living in freedom  
The hope of glory  
Living inside my life  
In my life

[Bridge]

Woah! I am standing up  
Woah! On the solid rock  
Woah! I am standing up  
Woah! On the solid rock

On Christ the solid rock I stand  
All other ground is sinking sand  
On Christ the solid rock I stand  
All other ground is sinking sand
