Look at your face  
Doesn't shine the way it used to  
Look at your eyes  
They don't sparkle anymore

Look what you've done  
You've ruined it for everyone  
Who told you that you had to lose your innocence?

I...I'm starting over  
I...I'm starting over

Well tell me how  
I get back to my childhood  
I used to think  
It was so naive...I was so naive

Look what I've done  
I've ruined it for everyone  
I should've held on harder to my innocence...

I...I'm starting over  
I...I'm starting over

It's never too late..  
It's never too late..  
For starting over

Reclaim your innocence  
Start over  
Reclaim your innocence  
Reclaim your innocence  
Start over  
Start over

(I can begin)  
I...(oo yea) I'm starting over  
(I can begin)  
I...(again) I'm starting over  
(starting over)(start over)

It's never too late..  
It's never too late..  
For starting over (starting over)

Look at your face  
It doesn't shine the way it used to...
