[V1]

I believe You  
When You say You're my God  
I believe You  
When You say You're my strength

[PC1]

I will run to You, my God  
For You alone are my heart

[C1]

Still my raging storm Lord  
Calm the sea around me  
I will be still

My confident salvation  
My strength, my everlasting  
I will be still  
And know You're God.

[V2]

I believe You  
When You say You're my rock  
I believe You  
When You say You're my strength

[PC2]

I will run to You my Lord  
For You alone are my heart  
I count it all a loss  
Compared to knowing You my Saviour

[C2]

Still my raging storm Lord  
Calm the sea around me  
I will be still

My confident salvation  
My hope, my everlasting  
I will be still  
And know You're God.

[B]  
I believe You  
I believe Your strength  
I believe You  
I believe You're faithful  
I believe You  
I believe Your unfailing love

[B2]  
I believe  
I believe in You  
I believe in You Oh Lord

[C3]  
Still my raging storm Lord  
Calm the sea around me  
I will be still  
And know You're God
