[V1]

You break the darkness with your light  
You give me freedom, you save my life  
You save my life

You break the chains off with your power  
You give me purpose, you set my heart on fire  
You set my heart on fire

[PC]

Heaven's hope is calling  
Heaven's hope is calling me

[C]

You are the answer, Jesus  
Redeemer of my life  
You are the saviour, Jesus  
Forever glorified  
You are the reason, Jesus  
The author of my days  
You are the saviour, Jesus  
We lift your name in praise

[V2]

I lay my life down at your feet  
You are the answer, you're all I need  
You're all I need

[B]

I reach out  
Longing for your throne  
I cry out  
For you and you alone
