Have you ever wondered
Why this world is a social disaster,
No one to trust,
No one to look after,

Unite!
To fight!

We won't stop this
Fight
Untill this world
Turns around, go!

Unite!
To fight!

Chorus
Self distruction's unavoidable,
Ignorance is changeable,
We can't change nothin' for free,
Prosperity is the key,

Take a look at your
Self your not the best at all
Your life starts
Crumble and it starts to fall

Unite!
To fight!
